# Welcome

Whether this is your first time here on a Sunday morning or you were born in the pew (uh.. purple chair?) we are honored you have chosen to spend your time worshipping with us! We hope you feel welcomed and embraced here.

## First Time Guests

Our service usually runs from 60-80 minutes. We have a space prepared for your kiddos. Feel free to keep them with you or take them around the corner at any point during our service. Please stick around for a while after service to let us get to know you!

## Who We Are

We like to think of ourselves as a quirky family. We might not be what you typically think of when you hear the word "church". A church and a community center in the same room? That's confusing. (Yeah, kinda.) We realized something was not working in our old, typical model of church. So we decided to do something different. Different can be a scary word so we are stepping out in faith to try a new way of giving back to our community.

HUBS are our version of small groups...a space to connect and grow with God and one another. We encourage everyone to get plugged in with a group!

## KIDS CORNER

### Bible Story:

The disciples tell Thomas they saw Jesus alive! Thomas doesn't believe them. He says he needs to see and feel Jesus' wounds. Jesus appears and Thomas believes. Even though we can't see Jesus, we can trust that Jesus is real.

### Memory Verse:

*"But to all who believed him and accepted him, he gave the right to become children of God"*  
John 1:12

### Teaching the Children today are:

*Judy Carr, Holli Merritt and Vickie Carlisle*

### Family Time:

Look for evidence in your house that Jesus is real ... maybe a fan - you can feel wind but can't see it; a mirror - Jesus lives in you; a light in a closet - Jesus lights up the darkness in our lives; soap - Jesus washes away our sins. Talk about why you believe Jesus is real.
